

***The life you've been working for,
and a community that will work for you.***

Brantford, Ontario is a charming town with a proud heritage in the scenic Grand River Valley. We offer hometown hospitality that's just a short trek to several urban centres and major universities. We are just 20 minutes west of Hamilton on the 403. From outdoor recreation to a blend of culture, arts and tradition, balance your hard work with the lifestyle you deserve.

PAEDIATRICIAN

You will join six experienced Paediatricians at our friendly and well-run community hospital, to provide either part-time or full-time coverage as a Paediatrics hospitalist, whose responsibilities require care of a level 2B NICU care, 8 bed inpatient unit with an associated bilirubin clinic and acute referral clinic. In addition, you will be expected to field ER consults as well as attending high risk deliveries and joining our robust in-hospital diabetes program.

Requirements include FRCPC certification, an Ontario license as per the CPSO and have completed a recent NRP and PALS certification.
