

## Pediatrician

We are looking for an enthusiastic Pediatrician to join our team of Pediatricians on medical staff, providing Pediatric care in a community clinical setting as well as inpatient care in the hospital. The successful candidate will also participate in the Pediatric on call schedule. Demonstration of continuous quality improvement and of our values: caring, collaboration, innovation, respect and accountability is necessary. Cambridge Memorial Hospital (CMH) is an affiliated teaching site of the McMaster University School of Medicine and a RAO Best Practice Spotlight Organization. Participation in teaching and mentoring medical learners and residents is both an expectation and an opportunity. The successful candidate will hold FRCPC certification, or equivalent, and be eligible for an independent practice certificate with the CPSO.

Serving a population of over 140, 000 Cambridge Memorial Hospital is moving forward on a development and renovation plan which includes an entirely new and expanded Emergency Department, as well as new Labour and Delivery, Intensive Care Unit, Mental Health facilities and surgical suites. This is further complemented by full diagnostic Laboratory and Imaging Support services, including a 64 slice CT Scanner with 24/7 Radiology coverage. Comprehensive medical and specialty support is also available in the community.

Cambridge Memorial Hospital is a community hospital located in southwestern Ontario within easy access of Toronto, Hamilton and London. Cambridge is a small city, providing a high standard of living with attractive residential areas, an excellent selection of schools, easy access to five major universities and many recreational activities.

This is a full time, permanent position for 1 candidate. Remuneration is fee-for-service, based on the physician's OHIP billings. An additional stipend is available through the Hospital on Call Coverage (HOCC) for participation in call shifts. Short-term overhead expense support is negotiable.
