# JOB FAIR

JUNE 17 - 21, 2024

Is your hospital or community looking  
to recruit a paediatrician to fill a  
vacant position?

# 2024 Canadian Paediatric Review Program

**June 17 - 21, 2024** | **VIRTUAL**

The Canadian Paediatric Review Program is a physician organization committed to offering educational programs. We provide the knowledge and skills necessary to enhance children's health by educating future paediatricians so they can provide the highest quality of patient care to the community at large.

**Exposure at the Canadian Paediatric Review Program offers an excellent opportunity to network with paediatric residents and new paediatricians for career opportunities within your hospital and community.**

The Canadian Paediatric Review Program is **precedent setting in Canada**. No other program of such caliber exists and no other exam preparatory course has the support of the university training centers throughout Canada.

# Filling a Vacant Position

**CANADIAN PAEDIATRIC REVIEW PROGRAM - WEBSITE POSTING | \$400**

Post your employment or locum opportunity on the Canadian Paediatric Review Program's website for 90 days.

Let us help you connect with paediatric residents and new paediatricians.

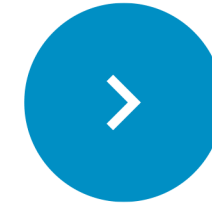

Registration is open for our next educational program being held virtually from **June 17-21, 2024**. The program will accommodate all time zones allowing for the ideal situation to attract a large number of residents and health care professionals.

# Testimonials

“Great review of all paediatrics and very useful for the Royal College exam.”

“Very focused to our needs and an excellent compilation of high-yield topics.”

“All speakers were outstanding and experts in their field. Touch Pad Questions really helped identify learning gaps.”

“Comprehensive in terms of breadth of topics covered. Great speakers. Interactive.”

“Very well organized. Opportunity to gauge level of preparedness for exam.”

“The best paediatric review I have ever attended.”
