

Pediatrician Moose Jaw, Saskatchewan

Posting Date: November 23, 2021

Remuneration: Contract (\$416, 597)

Language of Work: English

Position Profile: The Saskatchewan Health Authority, Moose Jaw is looking for a pediatrician to join our exceptional physician compliment in Moose Jaw, Sask. The position would require clinical services, out-patient services and emergency coverage. The successful candidate would require to work with one other pediatrician providing the services required. This opportunity is a contracted position and the remuneration for call requirements is paid separately through the SMA specialist program.

Currently the call requirements 1:3. Those participating in call are reimbursed as part of the Specialist Emergency Coverage Program.

The Saskatchewan Health Authority (SHA) is dedicated to learning and is a partner in the growing educational needs of medical students and residents from the College of Medicine, University of Saskatchewan. Members of the department are eligible for appointment to the faculty of the College of Medicine, University of Saskatchewan, and take part in academic services including teaching of undergraduate and postgraduate learners.

The Community:

The “Friendly City” of Moose Jaw is the fourth largest city in Saskatchewan; located in the south-central part of the province, along the Trans-Canada Highway. The Regina International Airport is a short 45 minute drive to the east. Moose Jaw, with a population of 34,000, offers excellent public/Catholic/francophone education opportunities and many recreational, cultural and entertainment amenities.

The Dr. F.H. Wigmore Regional Hospital:

The “Wigmore Hospital” is a brand-new state of the art facility with 72 inpatient beds including an intensive care unit. We provide full obstetrical services, as well as general surgery, gynecology, urology, orthopedics and ophthalmology. Other specialty services available include pediatrics, internal medicine, pathology, radiology (diagnostic imaging, ultrasound, CT, MRI). There is opportunity for participation in teaching through the University of Saskatchewan, College of Medicine programs.

The Saskatchewan Health Authority:

The SHA is the largest organization in Saskatchewan, employing over 44,000 employees and physicians responsible for the delivery of high quality and timely healthcare for the entire province. We are driven by the commitment to improve frontline patient care for Saskatchewan people, and we are working together to better coordinate health services across the province to ensure that patients receive high quality, timely healthcare, wherever they live in Saskatchewan.

Qualifications: Successful candidates will hold certification from the Royal College of Physicians and Surgeons of Canada (Royal College) in Pediatrics or eligible to write Royal College examination. Applicant will be eligible for provisional or regular licensure from the College of Physicians and Surgeons of Saskatchewan (CPSS).

This individual should be a team player, be able to interact effectively with patients, colleagues, staff and management, and function well in a high volume environment with a commitment to provision of high quality patient and family centered care.

The start date for this position is negotiable. Applications will be accepted until the position is filled.

Though all applications are welcomed, preference will be given to candidates who are Canadian Citizens or Permanent Residents.

Proof of COVID-19 vaccination will be required to become a member of Practitioner Staff and provide care in Saskatchewan Health Authority facilities
