

Full-Time & Part-Time Paediatrician Opportunities

Quinte Health – Belleville General Hospital | Southeastern Ontario

Are you looking for a welcoming, collaborative paediatric team in a region that blends clinical challenge with lifestyle balance?

Quinte Health is currently recruiting FRCPC paediatricians for full-time or part-time roles at Belleville General Hospital, part of a four-site hospital organization serving over 160,000 residents in Southeastern Ontario.

About the Opportunity

Join a dynamic team of 10 supportive paediatricians practicing in a hospitalist model across:

- 6–8 bed Paediatric Unit
- Level 2A NICU
- ~1,500 deliveries per year

This versatile role includes inpatient care, clinic work, and opportunities to participate in multi-disciplinary programs.

Practice Model & Perks

- Regional Consulting Paediatric APP Model (Base stipend + % of billings)
- Outpatient consult clinic across from the hospital, fully managed by the group
- Urgent consult clinic and general paediatric care
- Multi-disciplinary clinic involvement available (e.g., Paediatric Diabetes, Quinte CTC)
- Academic appointments with Queen's University and active teaching opportunities
- Leadership, QI, and division initiative involvement welcomed
- Support provided across all four Quinte Health sites

Why Belleville & the Quinte Region?

- Just 45 minutes to Kingston General Hospital (NICU referral site)
- Subspecialty support from CHEO (PICU) and regional partners
- Affordable cost of living, excellent schools, and a vibrant arts and food scene
- Minutes from Prince Edward County, Sandbanks, and wine country
- Close proximity to Toronto, Ottawa, New York State, and Vermont
- Lifestyle options for nearly every interest — boating, hiking, theatre, AHL hockey, and more

Qualifications

- FRCPC (paediatrician preferred), ABMS
- Current NRP and PALS certifications
- Eligible for CPSO licensure in Ontario. Supervision may be available.

We'd Love to Hear from You!

Whether you're looking to put down roots, explore a new community-based role, or continue growing in both inpatient and outpatient paediatrics — our team would be glad to connect.
